

Solar Mounts, LLC

AIS (American Iron and Steel)

Compliance

Date: March 04, 2025

Company Name: Solar Mounts, LLC.

Company Address: 300 Woolley Rd.,
Marshall, Michigan 48308

Subject: American Iron and Steel (AIS) Certification

Project: (X_____X)

I, Terence Parker, certify that the following products and/or materials shipped/provided to all Solar Mounts, LLC projects in North America, and/or for any subject projects (listed above) are in full compliance with the American Iron and Steel requirement as mandated in EPA's State Revolving Fund Programs.

Item, Products and Materials:

1. Solar Mounts, LLC Iron Rebar (in cement footings)
2. Solar Mounts, LLC Steel I-beam Posts
3. Solar Mounts, LLC Steel Trusses
4. Solar Mounts, LLC Steel Z-purlins
5. Solar Mounts, LLC Steel C-purlins
6. Solar Mounts, LLC Magni-coated steel nuts, bolts and washers (i.e., magnesium coating, above and beyond hot dipped galvanized)
7. Solar Mounts, LLC Galvanized G90 steel UL 2703 Mid-Clamp / End Clamps
8. Solar Mounts, LLC Steel Under-decking

All Solar Mounts products, structural steel and construction materials are produced in the United States.

All iron and steel manufacturing processes, including forming, rolling, drawing, finishing , fabrication and coating processes take place at AS9001D and ISO 9001-2015 certified manufacturing sites in Michigan and at other Midwest locations (please contact Solar Mounts, LLC. for manufacturing sites and details).

If any of the above compliance statements change while providing material for this project, we will immediately notify the prime contractor/Solar Mounts, LLC customer and customer engineer

Respectfully,

A handwritten signature in purple ink, appearing to read 'TP', with a stylized flourish extending to the right.
